Dear Pastor John,

I thank you for sending your messages. I was there in Stuttgart area and Frankfurt during the period of 2000 to 2003. Sadly, I have forgotten my few German words other than "danke schoen".

Anyway, I am now pastoring a church here in Amman, Jordan. The ministry is doing fine by the grace of God. And again I appreciate your messages and words of encouragement. May the good Lord continue to bless you, your family and the ministry. We will remember you in our prayers.

God bless.

Dear Pastor Matutis,

I want to thank you so much for this perfectly appropriate "word" for me. I know it came via the Lord through you. I was feeling a little down today and this lifted me way up !

I am doing ok, I am fighting pancreatic cancer - 19 months now. Please continue sending me your inspiring messages. My husband and I will pray for your church and send others to your web site.

mmmmmmmmmmmmmmmm

Pastor: We bless you. You have no idea how much this word meant. It was once again right on. I wept as I read it. Your testimony speaks to our hearts.

Our Lord is so amazing how he will use one brother across the world to speak to another brother or sister. Only the Lord knows the things we cry out in the night. He is the God who hears. Thank you for being obedient to send this prophetic word. We prayed for you and asked God to bless you abundantly. There are no words to express how appreciate you and your ministry. We pray continue grace and strength over you.

I really don't know how we came into contact with one another. I believe it was because I prayed for Germany and for an open door for Kathie Walters to go there. I believe because of that prayer God uses you to speak to your American family here. Thank you we send our best.

Blessings your fellow servant
Pastors Carolyn and Charles Phillips

mmmmmmmmmmmmmm

Thank you very much Pastor for the timely extremely encouraging, uplifting message. I feel it is for me as I too hear from God directly and have been sharing messages I received from God thru the still, small inner voice within. And yes, there are many thorns along the way, sometimes unexpected rejections and false accusations and so your message fits in well with what I need in my mind and my spirit.

Thanks for sending me the message!

Have a nice day!

Lec

mmmmmmmmmmmmmmmm

Dear Ptr. Joh,

Greetings!
Thank you fro the very encouraging words that strenghtens me always.
When can you have time to come here in the Philippines and ministered to us?
Thank you and God Bless you.

Praying for you,
Joniver

mmmmmmmmmmmmmm

Thank you for the encouraging words, they brought tears to my eyes. My husband and I are going through a very hard time. We have been pastoring a church near Raleigh for 5 yrs now and it has been very dry ground. The people are very distant there, very unresponsive to God, and it has been a trial . We are without income, our cars have broke down from driving so many miles and we don't have money for another car. Please pray for us. Thank you again for the encouragement. God is good, we totally depend upon him. In His Name, Deborah

mmmmmmmmmmmmmm

Dear Pastor Matutis, thanks for your encouraging message. I am a firm believer in the gifts of the Holy Spirit but my church denomination "Church of the Nazarene" do not seem to believe in it and there is never a word of knowledge wisdom or prophecy, the congregation is mostly older folks, we have only maybe 3 or 4 children in attendance. I am seriously

praying for our Pastor to be filled with the Holy Spirit with the manifestation of the gifts. My Christian brothers and sisters are truly good people and they do love the LORD but lack that close and intimate relationship with the LORD. Please remember the Selah Nazarene Church in your prayers for a spiritual awakening.

Bless you, your family and your congregation. I am so pleased to hear af the move of GOD in Deutschland.

I AM PRAYING FOR YOU TOO EVERY DAY,
In our LORD and SAVIOR,
Helene Black

mmmmmmmmmmmmmm

Thank you, Dear Brother. This message is so timely. I head to Russia for two weeks of teaching, healing ministry in 10 churches there.

We pray for you often.

In HIS love,
Dr. Kathy Walk

mmmmmmmmmmmmmm

Dear Pastor Matutis,

... I do want to let you know how amazingly they have spoken to my heart - in such a way that I believe only God Himself could give to someone who has never met me.

Thanks you for being faithful. Your words have sometimes been like water in a dry place. They come with a knowledge of where I am.

May the Lord continue to bless your ministry and may you also be built up and encouraged

Dear Pastor Matutis

I thank you very much from the words of the Lord. I feel very blessed to hear such lovely words which helps my soul and body.

I have one request from you and your team is to pray for the healing of my brother in law who has been in Hospital for the past four weeks and he has made an operation in his brain known as Deep Brain Stimulation and in spite of the operation he still does not wake up or eat or speak and we need God's touch for a miracle to bring him back to his normal life.

I believe God is so loving and he wants each person to be in good health. Please join with me in prayer expecting total healing for Lothar Speer who is originally from Germany.

May the Lord God bless you always.

Yours in Christ.
Homer

mmmmmmmmmmmmmm

Many blessings to you!

The prophetic word God gave you is very exact. Thank you for being obedient.

I pray the Lord brings finances to you that meet every need and yes, even those special desires. As you have been faithful, God is faithful and hears what you have asked. Ask and you shall receive. Seek and you will find. Knock, and the door shall be opened unto you. Pressed down, shaken together, and running over shall men give into your bosom.

He is working in my life. I am attending bible college and going to be put on a prophetic ministry team.

Keep up with your love and faithfulness. You will be rewarded!

Rheta

mmmm

Amen, brother. God know I need this word today!
Pastor Johan

My dear brother, Pastor Matutis:

I so appreciate the ministry God has given you to Christ church and to me. I cannot tell you how God has used often to encourage me, as the last year has been quite difficult for me in family, ministry and finances. Yet, I have seen the faithfulness of God in just keeping me safe, sound in mind and sustained.

Your ministry has given me hope. And I'm thankful for you not only sharing the word of the Lord, but your personal testimony of ministry too. May God continue to bless and use you. I hope one day to come to Germany, just to meet you and know the work that God has assigned to your hands.

Again, thanks for your ministry.

Ronald W. Park

Thank you Pastor for this Word. It is what I needed to hear today!
My wife of 34 years has started divorce proceedings, and I lost my executive position which I held for 11 years. I now have a commission based sales job, and need the Lord's blessing on it for me to make the income to meet financial commitments from the past.

I will certainly pray for your ministry, and ask that you pray for me.
God Bless you,

Hello Pastor,

Greetings! I cant believe it, while reading your e-mail (a word from the Lord) i have a very close scenario. When i arrived in the office this morning, i learned that our property custodian has just resigned and the position has been replaced by a new employee. His surname is the same as my middle name. To cut the story short, i knew that his father is the oldest brother of my mother. They havent contacted each other for decades and now i the prophetic

word exactly tells me about this. Amazing... Thank you.
Jeff

Hello Pastor Matutis,

Thank you for your encouragement, Pray for us, we have a home church name "House of David Oostende Belgium" all the people are going away, we have an attender of around 20 people but they are not coming anymore, they don't like the message of REPENTANCE, CHANGES and WALKING IN RIGHTIOUSNESS. We are praying an assembly here with power, deliverance and miracles. We are left behind. We still continue our prayer meeting every week with my family sometimes we have visitors and we still continue our evangelism services as a family. We help more unbelievers and at the same time we share the love of the Messiah. We have nothing, but the Father used us to help crusades far from us, and helping churches to another countries with our small offering. Now we are in prayer what will be our part according to HIS. Pray for us that we can see in His way. We need HIS wisdom.

Thank you for your encouragement. I am praying for you in your ministry.
Love and prayer,
Nenita Tindaan

mmmmmmmmmmmmmmmm

Your words give me courage and they strengthen my faith in christ. Thank you. I recently left my job for full time studies and my wife is having our second baby. I don't know if I made the right choise and I feel unease about my decision sometimes. Knowing the lord is with me all the time gives reason to continue and believe that anything is possible. I thank God for the work you are doing.

Pastor Matutis:

I am a child of the most high God. I understand following the Spirit of the Lord. I stand amazed at the messages you send to me and from what I can tell my name is the only address on the page. The words you speak, speak directly to the situation I am in right now.

I ask for your continued support with prayers. I also ask for an address where I may send offerings to bless your ministry to further the kingdom of God.

In Christ,
L Bolt

mmmmmmmmmmmmmmmm

Pastor,
..."thank you" for your words of encouragement from the Lord. This definitely speaks from God's heart to my own, I have been going through some things and this encourages me greatly. The Lord bless you and keep you, May He cause His face to shine upon you and be gracious to you, May the Lord lift up His countenance upon you and give you peace", in Jesus Name.

mmmmmmmmmmmmmmmm

Dear pastor Joh Matutis, thank you for sharing these beautiful words of God with me. I am from the USA, and we all need to stand together for Jesus Christ, for we as Christians are united as one in Christ Jesus. I do believe our Lord is coming for His Bride the Church real soon. We do not know the year, nor the month nor the day, but Jesus said to look for the signs. Our beloved country the USA is in a very sad shape, because people in our government has kicked out our Almighty God from the schools and so much more. It seems to me that a luke warmest is taking over and our Savior is being pushed out, and people are blind to that fact. Yes my brother, we need to pray for each other because we are in the last days. We may never meet here on earth, but we shall meet in heaven, and serve our King Jesus forever. I am truly looking for that day! Earth is not my home, I am just passing through, for my home is in heaven and one day I will be going there. Again, thank you for sending this to me. I have not heard from you in a very long time. It is so good to hear from you my brother. How are things in your country? How are you doing? God's blessings upon thee.

Ablaze for Jesus,

Your sister in Christ,
Linda

Dear Rev. Johannes W. Matitus,
Greetings in Jesus' Name!

Thank you for the prophetic word and I personally feel this is for me. I am greatly encouraged and relieved by the word. By faith; I will absorb, agree and accept the prophetic word that came through you. At present I am in USA traveling to meet my friends and raising prayer and ministry partners to win Nepal and Nepali speaking world for Jesus. To accomplish vision we, naturally need lot of resources and finances and spiritually need like minded people with vision, prayer worriers and people like you who time to time encourages with the prophetic word from the Lord.
Some time I feel discouraged seeing enormous obstacles and barricades lined up on my path stopping me to go ahead. I am learning to listen my heart, to follow the guidance of the Holy Spirit. I am learning much the word about Rehema.

Thanks for the encouraging words. I remember you in my prayers.
pray for coming to Nepal to minister saints with the prophetic word.
At last, not least thank you for the prayers and concern with Love. I look for your prayers!
Surely God will do good to you,
Pastor DK Limbu Daniel

mmmmmmmmmmmmmmmm

Dear brother Johannes,

When I opened the email and read your prophecy an hour ago, My response was to cry before the Lord and all I could say was: "Oh, my God!, Oh my God!" It is the answer to my prayer to God earlier today!

Dear brother, I want you to keep us, the church, our city and our country in your prayers. I feel in my spirit that God is going to bring revival. There has never been one here!

God bless you.

Pastor Jim and Lucy Vamvoukakis

mmmmmmmmmmmmmmmm

Pastor I just want to take this opportunity to thank you for your words of encouragement which are always so timely. I would ask you to continue to pray for me as a pastor young in this position. having gone through a lot but knowing that God is by my side. Pls pray for us as a church as we are in the process of purchasing a church building and finance is very limited but we are believing that God says in his word "what he calls for he provides for." So Pastor continue the great work that God has called you to do. and thank you once again.

Rita Wright

mmmmmmmmmmmmmmmm

Pastor John W. Matutis,
The prophetic word that God has given you for me is a real blessing to me. thank you very much for your faithfulness in sharing what God has given you. I received and accepted all that the word of prophecies God has given you. God knows my experiences in the ministry. In 1973 the muslim rebels came to our village where I was born and burned our house, bakery shop, our church where I was dedicated and grown in the Lord, but all these experiences never change my love for God and the tribe who did this for my family. In return I have now muslim members in my church faithfully serving the Lord. In the midst of poverty God has given us the ability and wisdom in feeding more than

500 street children through our handful of rice, meaning every time we cook our food we sacrificially give a handful of rice, we have been doing this for more than five years and God is so faithful in meeting all the needs of our ministry and vision! I pray that God will open the door for you to come to the Philippines and minister to our people, churches and to our pastors.

sincerely in Christ Jesus,
Pastor Ernesto T. Parache

mmmmmmmmmmmmmmmmmm

Dear Pastor,

I am deeply touched by your encouragements and feel they are in season for my life. I am interested in knowing how you got hold of my address and what exactly the Lord showed you about me. I do believe in miracles and this to me is a miracle having God speaking to someone who is in Germany about my life- which is relevant - since I am in Namibia south of Africa! Can you see why I am shaken by this?

May the Lord bless you through your obedience and I know that many are being blessed and saved because of your obedience to me you are like Father Abraham!

Please tell me more about your church i.e, the name of your church, the challenges you are facing etc.

I hope to hear from you soon.

Greetings to the church and to your family
Elizabeth

mmmmmmmmmm

Dear Pastor Johannes,

I would just like to say thanks for the last two words you have emailed. I don't really know how my email got on your list as i've never been to your church or anything, but those two words were very timely and freeing!! I usually ignore mass emails but you know when you know that a word is right:)

God bless,
Matt

mmmmmmmmmmmmmmmmmm

Dearest Pastor Johannes:

Hello Pastor

A great revival broke out in Hawaii. 30 days of powerful services which built up the church there. Political leaders showed up. The Holy Spirit moved powerfully as we prophesied over each and every person several nights.

Please see our website at www.revivemychurch.com

If God wills I believe I will come to your area for revival services.

Blessings

Thank you sir, for your encouraging words.

The words you wrote strengthen me as I work in the mission fields of India and Nepal, as a missionary surgent, enduring many hardships.

Thank you for remembering me in your prayers from Germany. These photos were taken in Northern India at our small mission compound's hospital.

Sincerly, with love.
Dr. Thomas Dulan (M.D.)

Praise God for his spoken word, for this encouragement!

This has been a difficult and stressful time, with loss of a my brother went on to heaven and now an illness, bi-polar, with my husband. Finances being stretched. And we recently moved and joined a new church fellowship. I'm encouraged to continue on, knowing God called us here, and he will see us through...

blessings, I'll say prayers for you also!

My Beloved Brother in the Lord
God bless you very much for the word from the Lord. I thank God for your life because this word is so timely. The word is so refreshing and confirms things God spoke to my wife about our ministry and lives.
Please keep praying for us here in London. We are believing God for a greater harvest.
We love you
Bishop Samuel Yeboah-Boafo

mmmmmmmmmmmmmmmm

thank you so much for this encouraging word from the Lord Jesus. Being up in the mountains, we don't get much chance to minister to the masses and our neighbors are sitting with closed ears and hearts towards us. It appears they are not interested in living for Jesus and making a difference in the community. They are interested in getting the gardens planted and the tobacco grown not in the things of the supernatural. Soooo thank you for this encouragement.

Dear Pastor,

Thank you for your word today for me. I have been struggling and so very unsure of what Our Lord wants of me. I have tried in the past to be accepted into law school and I continue to be denied. Yes, this hurts. I only want to help my brothers and sisters I see daily who do not have lawyers who really fight for them and work for them. I wanted to be an attorney so very much. However, I have failed the Law school admissions test that schools use to a tool to decide if they will accept a person or not. I have a choice now. I can apply to three more schools and use money that I need for other bills or not apply and not know if one of those schools would have accepted me.

I need the Lord's Word On What To Do...I Pray Yet I do not know what to do. The dead line for each school's application to be submitted is coming up very soon. Please Join Me In Prayer That I May Know My LOrd's Direction For My Life...IN Jesus' Powerful Name I Ask...AMEN...AMEN...AMEN!

Dear Pastor Matutis:

Hello from Florida USA. Thank you so much for your encouragement! You have no idea of what a blessing you are to our lives! We are trying to minister to the homeless and have faced many trials and your letters come when we need them most. God bless you.

Thank you Pastor,

I needed this. Just when everything is hitting me on every side. In my relationship, financial aid for school is threatening to take it away, my car is broke, my brother is against me, my own pastor that I serve is misusing me, I am trying to lose weight for I really was not pregnant but indeed had a tumor that dissolved, and still looking for employment after 6 months. I thank you for these words of encouragement as God is truly in control. God has a plan for me to do great things, if I stay on the course and don't give

up....Here is one of the Bible Studies the Lord led me to write for teaching in my bible study group.
God Bless You and the ministry of Christ Jesus you are bringing forth

Hi man of God,

Thank you very much for your encouraging words. I am actually facing very difficult times in my life, family and finances. The enemy is trying his best but my God is faithful and merciful.

Just resigned from work due to the attitude of my superior that was not good at all. I am also campaigning for parliament, while looking for a new job as well. Pray for health and peace in my family and marriage. My mother, wife, daughter and mother in-law not well. Pray for their healing.

I am believing God for great victories and to be a living testimony, he has done it before, he will do it again.
I THANK YOU.

Dear Rev. Joh,
Greetings!

I am very much grateful to you for the encouragement messages you always send to me. It really strenghtens me a lot.

Just recently we faced a very bad trials in the Church and Parsonage. Our Electric Guitar and Bass Guitar, AVR Transformers and some of our Pants and Clothes which newly washed and was Hung outside the Parsonage was Stolen at the Middle of the or I think at Dawn time. This so happened because the Church is not yet finish and so the Parsonage as well at the back of the Church is still open not yet finish.

Please uphold us in your prayers that God will provide the needs to Concreate the Church Posts and walls so with the Parosnage so we could have safety. How I wish that you can set some time to visit us here and Minister to us. We will be having our 13th Year Church Anniversary this coming June 8,2008 since I pioneered this church.

We are praying that God will meet the needs for the Food and for the Musical Instruments we needed this time. Most of our church members were very incapable because they are unstable in their livelihood not enough for their family.

This is why sometimes I & my wife and our 3 small kids felt to leave the church and look for a Job to provide the needs and demands at home for our Food.Please pray for us and for the Sponsorship of my 2 Kids for their Schooling or studies now for this school year. They are in Grade VI and grade IV.

Thank you and God Bless you.

Praying for you Always,
Rev. Joniver R. Luague

Dear Brother Johannes
Greetings from Lahore, Pakistan. Well, I got your email message, very encouraging. God bless you.
Well, I am an evangelist and church planter in Pakistan. I have been serving the Lord since 1989-when I came from the USA after completing my studies. Carry on the good works of the Lord by sending encouraging messages around the world. Please keep praying us and for our beloved country. You might know that in our country Balsphemy Law is like a two-edged sword--many Christians suffer because of this law. Fanatic Muslims use this law against innocent Christians. This law says that , if any one say anthing against prophet Muhammad or the Quran shall be put to death.
Your Christian Brother

Dear Pastor,

I always thank God for you for your powerful prophet messages. They are really inspiring. I will publish them in my Christian monthly publication because I believe God has a purpose with the body of Christ and the only way to hold this is through informing them.

Thank you very much.
Yours faithfully,
Joseph Munyua

Thank you again

Dear Pastor Matutis,

Good day to you and our fellow christians in Berlin. Thank you very much for your words of encouragement. It made me realized how dependent we are to God in everything that we do. We have to learn how to trust in His Words to be able to perform according to what God has planned for us and that He provides all our needs. Yes, it's true God don't expect much from us to do for Him. He only needs our willingness and submission to His devine Will.

Hope and pray for God's continuous blessings for you and all christian churches worldwide. May we live victoriously till the end of time.

Greetings from,

Dear Pastor Johannes,
I was deeply moved to receive the words you sent to us yesterday. I confirm that they are undoubtedly from the Lord and they are a great blessing to me as Leader of the Maranatha Community. We have many thousands of Christians in our Community spread across the United Kingdom, all of whom are active in their various churches.

I co-founded the Maranatha Community 27 years ago and have been its Leader ever since. We are a proactive Community committed to praying and working for renewal, unity and healing and the words you sent directly relate to where we are just now as we witness to the nation and in Parliament. It is a very exciting but dangerous time and as a Community we are moving forward very rapidly. E will pray for you and your church and send you our warmest greetings.

Peace and love in Christ

Dear Pastor Matutis,

When you sent this word from the Lord, it has made such a big difference in helping me right now. I just want you to know, I became a co-leader with the Aglow International Christian Ministry just this year and have just went through being hurt by a fellow sister in Christ and has made me feel like giving up, though I won't. I am also trying to get through medical college right now when Satan launched this attack on me, it has been so hard for me to focus and my final exams are coming up this week. Thank you for being obedient to the Holy Spirit and sending this. I have referred back to it several times yesterday and today. I would like to ask that you pray for me, for the Lord to give me strength to stand through this storm and to go forward and keep on being strong in the Lord. Also, our church seems to be going through alot of gossip about our leadership. I want to serve the God and get over this hurt from this lady backbiting and it has devastated me.

Thank you, I would be grateful for your prayer. I don't even know how you received my email, but I am grateful. May God bless you, Pastor and thank you, Mrs. Selina Galle
