God wants to help you!

Daily I am receiving countless requests for interceding prayers.

It is about people everywhere that have great personal needs.

Most of them face dire problems; i.e. in their professional, health and financial related areas of their life. Many of them don't know what to do anymore. Others are writing to me, that they are not being understood by their partners, in their families, even in their parishes.

Often, all they want is just to download their misery messages that someone may listen.

When mulling over all these misery messages my heart became weary and sad,
I started preaching in other tongues when God suddenly and very audibly spoke the following to me:

"Tell the people that they should bring all these needs to ME, too.
Give them MY address and show them the way to ME.

As the messenger of Mine, tell them what they need to do that I can yield to them. I want to hear My children, I want to help and support them.

I am very interested about their well being.

Show them the way how they rapidly could gain My help."

Lo and behold, here are the instructions God gave me for these needy people and this is what He spoke to me: My children, you must take care that My son Jesus is living within you. Give My Son a fixed dwelling place in your life. Hence I, the Lord God, will do everything for you for the sake of My Son JESUS. Rest assured I will not let it happen that My Son will starve within you and end up in misery.

As a father, I will do and give everything for My Son, whom I have given into your care, that he will need to survive.

Because of My Son who is within you, I will guide you in such a way that your adversaries will not be able to touch you.

As long as My Son is present within you, I will particularly guard and protect you.

My people, I urge you to take good care of My Son and then I will take very good care of you. Your health, your finances and your security will uphold or will fall down how you treat My Son. I will care about everyone that cares about My Son who serves My Son, who lives for My Son.

He is MY care number 1.

I only listen to the voice of My Son, I react to his name.

And I pull out My Son out of any distressing situation.

I do not allow that even the slightest malice affects him.

He is my anointed ONE over whom I will watch eternally.

Hold on tight at my blessed ONE and hence you will be blessed as well and eventually saved.

Only when you are with Him will you be co-blessed for the sake of His name with everything that you need. He belongs to Me.

And whom holds fast on Him I will hold on too. Whom attacks him, attacks Me, and I will call him to justice.

All that cling on My Son, are also my property.

All that love Him, I love also. All that care for Him, I care for them, too.

And I will not let it happen that even for one that entrusts in My Son, a hair on him will be harmed.

Everything you need will I give you by My Son, says the Lord God.

In addition the Lord God said to me: "Every single one of you who takes in My Son Jesus I will invest all what I have and I am.

To him I give all what he needs to serve My Son to establish his kingdom.

Just like a father will I support and care for you and because you are good to My Son I will never leave you. Every good deed that you did for Him I will remunerate you richly for, says the Lord God.

I will saturate your life and your soul with joy and goodness for My Son's sake. And you will not default on nothing.

You will not miss anything, neither health-wise, nor spiritually, nor materially. It is Mine, that's the Lord God's promise!

And the Lord God continued to speak to me as follows: "And then my child, on behalf of My Son you can request everything of Me. Due to my love for Him will I give you everything to your avail. My treasure chambers will be ready for you to use all the time because of Him.

Nobody had a need to beg others for a loaf of bread who had faithfully served Him all this time. I am his and therefore your father too.

And my God shall supply every need of yours according to his riches in glory in Christ Jesus (Philippians 4.19). Our Lord God will do this to you.

Therefore, grant Jesus, the Son of God, a dwelling place within you - and then bring all your dire needs to the Father God of our Lord Jesus. It is just like how HE cared for Joseph and Mary and how He guided them once upon a time - just like that will He be with you.

And that's how you will become a "PLUS - man" through Jesus Christ dwelling within in you. One miracle after the other will happen to you and will accompany you wherever you go in your life.

And then the Lord God told me: My Children you have no idea how much I yearn to do more good to you than I have ever done before for My Son's sake.

But it is up to You to anticipate and to reckon with it.

Please forward this message to all your friends and acquaintances.

God will richly bless you.
