

## Message of the End-Time-Rescue.

Letzte Aktualisierung Dienstag, 6. Oktober 2009

Hi

This week, God gave me a strong message of the End-Time-Rescue. Please read and forward this e-mail to many people as you can. There is for the People of God still a End-Time-Rescue...

God bless You - when you read these words. It is for you and your loved ones.

That gave me the Spirit of the Lord,  
and I heard these words spoken aloud ...

=====

And this is it what He told me: "Like America has defended, loved and promoted the state of Israel and has supported the Jews - just like that will that nation hate, condemn and curse that state and the Jews, worse than it has been since in history.

Lo and behold this is what the Lord says: "My people and My children must be hated by all peoples. All of them must turn their faces from them. I will make them do that because I am a jealous God and I am zealous about my people and want to fight for My Israel and My children and want to be their Lord and God.

Don't be amazed about the worldwide hatred and dislike against My Israel, against the Jews and the Christians alike. This is condoned and allowed by Me, says the Lord. All atheists will huddle against the faithful and will hatch a plot against them. They will do whatever they can, to force My children to their knees. But all these efforts will be futile, they will only achieve that the chaff will separate from the corn, the truthful from the false and will achieve My works of cleansing and healing.

My true people and children will not bend their knees on such pressure, and that will infuriate the peoples of the world even more. They will behave like savages inebriated, not shying away from doing the most abominable. Unholiness galore will reign amongst them.

However You Israel and My children (flock of faithful) don't be afraid of any of these things. You will not perish, they will not be able to ruin or even annihilate you. On the contrary, it will only make you noble, make you holy and will purify you. It will make you shine anew and put you under the Lord's radiant glory. You will be rescued and help will come to you in a supernatural way for My people and My children. It will be totally different than you have ever imagined and dreamed about it. I have already prepared your rescue mission. My heavenly "armada" has already been launched.

Take note, I will not let it happen that My land (Israel) and My footstool (Jerusalem) will surrender under the atheistic peoples of this world, the Lord says. Neither will these nations have sovereignty nor will they have any power in My land. I will neither succumb to these nation nor will they tell Me how to part it. I have given this land to Abraham and his descendants and they will keep it for eternity, says the Lord.

My people, don't be fainthearted or desperate when the course of events suddenly turns dismal and you are wedged from all sides, when you do not see a way out or even a solution. I have never forsaken My children, never have I left them alone in dire straits. I love them, and I have thwarted any plots against them and have rescued them always at the very last possible instant with My mighty arm. Once upon a time I parted the Red Sea, led them through the desert and provided for them in miraculous ways.

I will do anything for Israel and My children. I will fulfil My covenant and my obligations with them. I will keep My word. Don't faint and become desperate My people. You are positioned at a turning point in your history.

All of whom you thought will help you will end up having to endure misery themselves and will become desperate not knowing what to do next.

At the very moment when they are about to hit you I will slam the stick out of their hands and turn it against them.

At the very moment when you feel that everybody in the whole wide world has charged against, abandoned and hated you, I will personally come down from heaven taking command and shake the earth. Woe to the big nations of the world they will have to endure catastrophes to a magnitude never having seen or experienced before in history and the peoples that are charging against and are hating My people I will personally reckon with them.

I will withdraw my protecting hand from all atheists and will leave them alone in their fate. Pandemics will ravage their countries by devastating and devoiding their lands. The very foundations of the earth will be shattered. However, You My children don't be afraid. I will protect you with my coat and will sustain you.

My Angels have launched and are backed by armies of heavenly hosts to protect and save you. I know My own. I know your weaknesses, too, I know your heart and your genuine demands. My mercy and lovingkindness is with you. Out of my true love and mercy I will help My Israel and my parish. And I will not let it happen that the just will be buried with the unjust. Lo and behold, I will span my protecting arm around my children and my Israel, says the Lord. The scattering of My people will soon end. (Refer also to Revelation 12.1-17).

Please pass this message on to other children of God and encourage them to trust in God.

Pray for Israel, the Jews and the faithful (Christians) that you know. The people of God will be going in to the "underground" and will be rescued by God miraculously. And then one will ask, where do all these come from? And then one will say: "These are the ones who came out of the great tribulation, and washed their robes and made them white in the blood of the lamb. Therefore they are before the throne of God and their names will be written on their foreheads." (Revelation 7.14-15). There will be no more night for them and they will neither need a lamp nor the sun. Lo and behold, the Lord God will be shining upon them, and they will reign forever and ever (Revelation 22.4,5).

Look forward to that.
